## Education

### University of Central Oklahoma - Geography

Additional Minor in International Trade. Successfully CLEP tested 42 hours of school.

**Hold a STANDARD teaching certificate with certs in SCIENCE and SOCIAL STUDIES.**

Passed the ESL (English as a Second Language) Examination.

## Experience

### Cedar Creek High School (Bastrop ISD)

*Science Teacher – August 2018–Current*

Teach Chemistry and Earth & Space Science (ESS). Additionally wrote the curriculum for CCHS' first ESS course. Teach 6 classes per day of ESS and Chemistry with daily preps. Work with my coteacher in one class to teach Special Ed & 504 Students. Also teach multiple English Language Learner (ELL) students and accommodate them as well.

### Leander Independent School District

*Substitute – February 2018 – May 2018*

Worked as a substitute teacher at multiple schools in the Leander Independent School District. Daily assignments varied, but were vital for gaining teaching & classroom management experience.

### Kershner Trading Group

*Equity Trader – April 2015-December 2015*

Worked with proprietary stock trading software and conducted research to find the best setups in the market from which I could gain the strongest edge in profitable trades.

### University of Central Oklahoma Library

*Multimedia Supervisor – January 2008-June 2010*

In addition to managing a small staff, and some technical repair, conducted extensive research, primarily in periodicals and microfilm for professors and students alike.
