**Brand Ambassador for the following brands (and agencies):**

XBOX (360 Promotions) – One day promotion, encouraging young males to play Halo: Reach.

Allstate (Productions Plus) – Along with event setup/breakdown, encouraged public to walk through a college football museum.

Drive4COPD (EventPro Strategies) – Took surveys for Drive4COPD at the Oklahoma State Fair.

Nintendo (Insight Media and Victory Marketing) – Owners of DragonQuest 9 could come to us for a free download (add-on for the game) and Nintendo-related prizes.

US Cellular (Encore Nationwide) – Encouraged public at two fairs to come to our display and play games for prizes.

GGP (Encore & EventPro Strategies) – Mall shoppers come to us during certain holidays to redeem gift cards for shopping at the mall.

Star Wars/Cartoon Network (Productions Plus) – Encouraged children to take photos with Storm Troopers and spin a wheel for prizes at an Oklahoma City Thunder Game. Tons of fun!

Windows Phone 7 (Mosaic) – Worked for both a launch party and for a month during the Mall Promotion. The former involved a massive launch party for AT&T executives – setup/breakdown and crowd control. The second, month-long promotion involved a mall kiosk setup where we demoed Windows Phone 7 and encouraged the public to enter the AT&T store.

Countrywide Financial (Encore Nationwide) – Distribution of Premiums and encouraged the public to sign up to win a guitar and help build Countrywide's mailing list.

Dr Pepper Ten (Trinity) – Guerrilla campaign – driving around Oklahoma City to high traffic venues to hand out Dr Pepper Ten to the public, primarily aiming for a demographic of 18-35 males.

Cars 2/State Farm (Encore) – Massive Setup with “Lifesize” characters from Cars 2. Packed gift bags, and helped usher children and families through the line to get their pictures with the cars and take a grab bag.

State Farm (Encore) – Separate promotion from above. Spent a week doing “Random Acts of Kindness”. Every morning, we set up a tent and had giveaways all day. Anything from food to gift cards.

Verizon RAZR launch party (Marketing Werks) – Part of a team at a large launch party for the new RAZR from Verizon. Helped with setup and then demoed the phone for party guests.

CIS (Event Pro Strategies) – Worked several events for a survey team at both Chesapeake and Cox Center. Primary purpose was to gauge customer's level of satisfaction with the new stadiums.

US Cellular (Attack!) - Worked the majority of Home OKC Thunder games. Primary purpose was to provide a positive experience for people at the US Cellular display and to know the talking points for US Cellular products.

**Team Lead for the following brands (and agencies):**

Allstate (Productions Plus) – Same as above, except also was in charge of making sure everyone arrived on time and helping to organize people into a variety of roles.

T-Mobile (365 Agency) – Encouraged students on a college campus to test out T-Mobile's prepaid phones. Sent reports and demo phones to agency at the end of the promotion.

GGP (EventPro Strategies) – Worked as a Team Lead for a weekend promotion offering gift cards to mall shoppers who spent \$75 within the mall that day. In charge of gift cards and numbers at the end of each day.

Corazonas (Massive Media) – Go to various Target stores in Oklahoma City and Tulsa and buy X amount of Corazonas per store in an effort for better shelf placement. At the end of day, return photos and reports on shelf placement.

Google TV/Sony (Marketstar) – Sales rep for Sony and GoogleTV during the Christmas Season 2010. Encouraged Best Buy staff and customers to demo GoogleTV and to purchase the Blu-Ray Players and TVs.

Virgin Mobile (Massive Media) – Was in charge of setting up and executing an event to take place at Best Buy on Black Friday. Was in charge of supplying, staffing and paying my workers at the end of the shift.

Verizon (Marketing Werks) – Have performed a number of functions for Verizon in 2011, including setup/breakdown of large event setups, reports, hiring, and more.

Adult Swim Block Party (360 Promotions) – Helped hire 32 people and after designating them roles within a “carnival”, I ran from booth to booth making sure everyone had what they needed (lots of running). Was in charge of Timesheets for the promotion (apparently the only one on tour where no one left early).

AT&T 4G LTE Launch Training (Mosaic) – Helped hire 7 people for a three day promotion. The first day was all setup for a massive five stage training center, followed by two days of training and breakdown. Was in charge of timesheets for this promo as well.
